American Airlines

EVERY TEAM NEEDS
GREAT WINGS.

Proud to be the Official Airline of the Dallas Stars.

THE DALLAS STARS WOULD LIKE TO THANK

AMATEUR SCOUT **BOB GERNANDER** & PROFESSIONAL SCOUT **DOUG OVERTON**

For their hard work and congratulate both on their retirement after more than 20 years with the organization.

Bob Gernander joined the Stars as an amateur scout before the start of the 1993-94 season. A native of Duluth, Minn. and former Minnesota state high school hockey coach, Gernander was responsible for scouting and evaluating amateur players in the state of Minnesota for all 22 seasons he spent with the organization. Over the years, he watched and assessed several would-be NHLers, including former Stars Matt Niskanen and Jamie Langenbrunner, as well as Dallas' first-round selection in the 2016 NHL Draft, Riley Tufte.

Doug Overton joined the team ahead of the 1990-91 campaign as a professional scout, tasked with assessing talent at the NHL level. Quickly moving up through the scouting ranks, he spent several seasons as the Stars' Director of professional scouting, assisting heavily in the acquisitions of Joe Nieuwendyk, Sergei Zubov and Darryl Sydor. At the helm of the team's pro scouting, Overton played an integral role in building a team that would win the franchise's first Stanley Cup and dominate the NHL for several seasons.

The Dallas Stars organization thanks Bob and Bonnie Gernander and Doug and Marna Overton for their many years of dedication and immeasurable contributions, not only to the club, but to the entire game of hockey.

R. THOMAS GAGLARDI

OWNER AND GOVERNOR

R. Thomas (Tom) Gaglardi is the owner and governor of the Dallas Stars Hockey Club and the president of Northland Properties Corporation, the largest family-owned hospitality company in Canada with its head offices located in Vancouver, B.C. He was officially introduced as the sixth owner in franchise history on November 21, 2011.

Since acquiring the club, Gaglardi has revitalized hockey in the Dallas-Fort Worth Metroplex, overhauling the team's front office by hiring veteran administrator Jim Lites to serve as president and installing one of the most respected hockey minds in Jim Nill as general manager. He also spearheaded the overhaul of the team's logo and uniform, forging a new identity for the club to fit his vision. Under his watch, industry insiders have consistently identified the Stars as a team "on the rise" for both the business and hockey operations side of the organization. During the 2014-15 season, Gaglardi purchased the Texas Stars of the American Hockey League (AHL) and acquired the operating rights to H-E-B Center at Cedar Park in Cedar Park, Texas. The move reinforced his commitment to sustaining and growing the sport of hockey in the state of Texas and creating a seamless organizational process to develop and train NHL-caliber players, coaches and front office staff.

A passionate and knowledgeable leader who is deeply involved in all aspects of the family's business, Gaglardi began his career in the hospitality industry at age 13 as a busboy and has worked in virtually every area of his business since that time. He spent considerable time in construction, hotel and restaurant operations, real estate development and finance. At age 23, he was promoted to president of the Sandman Hotel Group, and at 26 he became president of Northland Properties Corporation, the Gaglardi family's umbrella company.

Under his direction, Northland has grown to be the largest family-owned hospitality company in Canada including a large portfolio of hotels with the Sandman Hotel Group and the Sutton Place Hotels & Resorts, several restaurant chains including Denny's Restaurants of Canada, Moxie's Classic Grill, Chop Steakhouse & Bar and Shark Club Bar & Grill. In 2009, Gaglardi began expanding his brand of hospitality to the United Kingdom and will soon be operating in North Texas with the planned opening of the first Sandman Hotel and Moxie's Classic Grill in the United States. The family also owns and operates a large real estate portfolio and the world renowned Revelstoke Mountain Resort. In addition to his role with the Stars, Gaglardi is a co-owner of the Kamloops Blazers Hockey Club of the Western Hockey League and serves as its governor.

An active member of the community, Gaglardi founded the Sandman Harvest Foundation, which has raised over $1 million for disadvantaged and medically challenged children living in the Okanagan Valley of British Columbia. He also serves as trustee for the PA and JM Gaglardi Senior Citizens Society, a non-profit society providing housing for seniors in Kamloops, B. C. and serves on the board of St. George's School in Vancouver. He founded the Josh Dyck Foundation to assist Josh with his recovery from an auto accident in October 2006, which left him paralyzed and confined to a wheelchair.

Gaglardi and his wife Brittney have three sons, Charlie, Bennett and Wilson, all of whom play competitive hockey. In addition to his own participation on his hockey team, Gaglardi enjoys playing golf and spending time with his family at their cottage on the shores of Kamloops Lake near Savona, B.C.

JAMES R. LITES
PRESIDENT AND CEO

Dallas Stars owner Tom Gaglardi appointed Jim Lites President and CEO of the Stars on Nov. 18, 2011. Lites is very familiar with the position having held it twice previously under prior owners Norm Green and Tom Hicks.

Lites comes into the 2016-17 season with a reputation as one the finest administrators in professional sports. He is responsible for all aspects of the Dallas Stars hockey and business operations and reports directly to Mr. Gaglardi. Lites also serves as an Alternate Governor on the NHL's Board of Governors, a role he held from 1982-2007. Over the years Lites has served on the Board's marketing, broadcasting, expansion and game committees.

Over the course of Lites' two prior stints with the Stars (1993-02; 2003-07), the team won seven division championships, two Western Conference championships, two Presidents' Trophies, and the 1999 Stanley Cup. He played an active role in the conception, design, construction and on-going business operations of American Airlines Center and Dr Pepper StarCenter ice facilities. Most recently, Lites played a significant role in hiring General Manager Jim Nill, purchasing the Texas Stars of the American Hockey League (AHL) and the operating lease of the H-E-B Center at Cedar Park in Cedar Park, Texas.

From 1999-02, Lites also served as president of MLB's Texas Rangers, becoming one of only four executives at the time to simultaneously manage the affairs of two major league franchises. He served three years on MLB's Executive Council and was President when the Rangers captured the 1999 American League West championship.

Prior to joining the Stars in 1993, Lites served 11 years as chief operating officer of the Detroit Red Wings, who during his stint, won three Norris Division championships and two Norris Division Playoff championships after having missed the playoffs in 10 of the 11 seasons before his hiring. During his tenure, the Red Wings were named by Financial World magazine as the most valuable franchise in the NHL in 1990, 1991, 1992 and 1993. Lites was also instrumental in the defection of former Soviet stars Sergei Fedorov, Vyacheslav Kozlov and Vladimir Konstantinov, each of whom played important parts of the Red Wings' record-setting and Stanley Cup champion hockey clubs.

While with Detroit, Lites also served as chief operating officer of Olympia Arenas, Inc., one of the Midwest's largest facility management companies. He was also responsible for the redevelopment of Detroit's historic Fox Theatre, now the most successful entertainment venue of its type in the United States and the cornerstone of Detroit's growing northside sports, entertainment and gaming complexes.

From 2007 until being rehired by the Stars in 2011, Lites managed the New York Football Giants' Personal Seat License program at MetLife Stadium in East Rutherford, N.J. That program was one of the most successful of its type in history.

Born and raised in Pentwater, Mich., Lites received a bachelor of arts degree with highest honors from the University of Michigan in 1975 and graduated cum laude from Wayne State (MI) University Law School in 1978. He specialized in litigation and labor contract negotiations when he practiced law. Jim and his wife Kim reside in Frisco. They have four children, sons Chase, Sam, Chandler, and daughter, Brooke.

BRAD ALBERTS

EXECUTIVE VICE PRESIDENT, CHIEF REVENUE OFFICER

Brad Alberts is in his second tenure with the Dallas Stars and currently serves as the Executive Vice President and Chief Revenue Officer after rejoining the team in February, 2011.

Alberts plays a vital role in all areas of strategic planning for the club as a member of the Stars executive team. He oversees all aspects of sales and marketing operations, including corporate sponsorship, broadcasting, in-game entertainment, ticket sales, marketing, communications, and team retail merchandising. Additionally, Alberts serves alongside Stars President Jim Lites on the American Airlines Center Board of Directors, assisting in the management of one of the busiest arenas in the United States.

Alberts' career includes nearly two decades of professional sports experience selling tickets, suites, premium seating, and sponsorships. From 1996-09, Alberts worked for the Dallas Stars and Texas Rangers in various sales management roles in tickets, suites and corporate sponsorships. From 2006-09, Alberts served as the Executive Vice President of the Hicks Sports Marketing Group, the in-house sponsorship sales group for the Stars, Texas Rangers, and Liverpool Football Club. In 2009, Albets took over as the Vice President of Sponsorship and Sales at Legends/CSL, overseeing a number of events at numerous venues around the country, most notably the Circuit of The Americas, a Formula One racing track in Austin, Texas. Since rejoining the team in 2011, Alberts has played an integral role in the resurgence of the Stars in the Dallas-Fort Worth Metroplex, helping lead the organization to tremendous growth in brand visibility, attendance and sponsorship sales. Alberts and his leadership team have been instrumental in the sweeping rebrand of the team, retiring Mike Modano's number and creating tremendous sponsorship value for the team and its partners.

Alberts received his bachelor's degree from Ripon College in 1992 where he was a four-year lettermen and co-captain of the basketball team, earning an induction into the Ripon College Athletic Hall of Fame in 2002. He received a master's degree in sports administration from Northern Colorado in 1995. Alberts is an avid golfer, and fitness enthusiast. He resides with his wife and their daughter, Grace, in Southlake, Texas.

JASON FARRIS

EXECUTIVE VICE PRESIDENT, CHIEF OPERATING OFFICER, ALTERNATE GOVERNOR

Jason Farris joined the Dallas Stars in January, 2012 as Executive Vice President. Currently serving dual roles as Chief Operating Officer and Chief Financial Officer, Farris oversees all aspects of Dallas Sports & Entertainment's finance and administration, box office, human resources and information technology. He is also responsible for leading the operations and growth of the Dr Pepper StarCenters, and the 6,500-seat Dr Pepper Arena in Frisco, Texas. Within the community, Farris serves as board chair of the Dallas Stars Foundation, is a member of the advisory board of the Dallas Stars Alumni Association and leads the Stars youth hockey initiatives to continue the growth of hockey at the grassroots level in Texas.

A native of Vancouver, B.C., Farris brings a depth of business expertise and passion for hockey to the Stars. Farris was the president and CEO of Citizens Bank of Canada, one of 21 Schedule I banks in Canada. Prior to his tenure in financial services, he spent 10 years in the software industry as an executive with Fincentric Corporation and with MacDonald Dettwiler & Associates. A multi-dimensional professional, Farris also founded the publishing company, circaNow Media and has authored and published five hockey books: *Texas on Ice: Early Strides to Pro Hockey* (2016), *Behind the Moves: NHL General Managers Tell how Winners are Built* (2011) which was hailed as "the most important hockey book in over a decade"; *Hail Cesare: Trail through the NHL* (2006) about Stars' franchise legendary goalie, Cesare Maniago; a national best-seller in Canada, *Hockey Play-by-Play: Around the NHL with Jim Robson* (2005) and its encore edition, *Hockey Play-by-Play: Canuck Captains with Jim Robson* (2010).

Farris holds a master of science in management from the MIT Sloan School of Management in Cambridge, Mass. He also holds a bachelor of arts in political science from the University of Toronto and a bachelor of science in physics from the University of British Columbia in Vancouver. He has been a member of the Society for International Hockey Research since 1995 and is a contributor to Total NHL as well as the annual NHL Official Guide and Record Book.

Farris is never far from the rink. For years he was a Hockey Canada official, having refereed and lined hundreds of minor hockey games. Though he grew up between the pipes, he can now be found playing in local men's league games as a centerman or right winger.

Jason and his wife, Sarah, have two children, Jane and Owen, and they reside in University Park, Texas.

JIM NILL

GENERAL MANAGER / ALTERNATE GOVERNOR

Now in his fourth season as general manager of the Dallas Stars, Jim Nill guided the team to the 2015-16 Central Division title for its first division title since the 2005-06 season. The Stars also earned the top playoff seed in the West in 2015-16 as the team's 50-23-9 record (109 points) led the Western Conference during the regular season. Nill, who was appointed to the position on April 29, 2013 by owner and governor, Tom Gaglardi, is the 11th general manager in franchise history and the sixth since the team moved to Dallas.

Since joining the Stars, Nill has dramatically re-shaped the team's culture and roster with a series of trades and acquisitions. In the summer of 2013, he hired veteran coach Lindy Ruff to serve as the team's head coach and acquired young superstar center, Tyler Seguin, in a blockbuster, seven-player deal with the Boston Bruins. Seeing the need for continued depth at the center position, Nill once again made headlines in the 2014 offseason by bringing in center Jason Spezza via trade with Ottawa to give the Stars one of the most dynamic one-two combinations in the NHL. In 2015, he acquired three-time Stanley Cup champion Patrick Sharp in a trade with the Chicago Blackhawks and signed free agent defenseman Johnny Oduya and goaltender Antti Niemi. And after leading the team to regular-season Central Division and Western Conference championships in 2015-16, Nill was named a finalist for GM of the Year, marking his first career nomination.

At the end of the 2014-15 season, Nill was named general manager of Canada's National Team for the 2015 IIHF World Championship in the Czech Republic and constructed a roster that captured the gold medal at the tournament. Under his leadership, Team Canada touted a perfect 10-0 record and featured Dallas Stars players Tyler Seguin, Cody Eakin and Jason Spezza, who was named the top forward of the tournament by the IIHF directorate. Previously, Nill has won gold medals when he served as general manager for Team Canada at the 2004 IIHF World Championship and as assistant general manager at the 2003 IIHF World Championship.

Prior to joining the Stars, Nill spent a total of 19 seasons as a member of the Detroit Red Wings management team, the last 15 of those as the team's assistant general manager. His responsibilities with Detroit included directing the amateur scouting department, overseeing all selections at the NHL Draft, as well as managing the development of the organization's prospects at both the professional and amateur levels. During Nill's tenure in Detroit, the Red Wings had more wins than any other franchise in the National Hockey League, won four Stanley Cups (1997, 1998, 2002 and 2008), six Presidents' Trophies (1995, 1996, 2002, 2004, 2006 and 2008), 12 Central Division titles (1995, 1996, 1999, 2001, 2002, 2003, 2004, 2006, 2007, 2008, 2009 and 2011), seven regular season Western Conference titles (1995, 1996, 2002, 2004, 2006, 2007 and 2008), and never missed the playoffs. He was an integral part of Detroit's drafting of Pavel Datsyuk, Henrik Zetterberg, Niklas Kronwall, Valtteri Filppula, Jimmy Howard and Johan Franzen, amongst others.

The Hanna, Alta., native joined the Red Wings' front office in the summer of 1994 following three seasons with the Ottawa Senators. Previously, Nill enjoyed a nine-season NHL career as a right wing with the Boston Bruins, Vancouver Canucks, St. Louis Blues, Winnipeg Jets and Red Wings. He collected 58 goals, 87 assists and 854 penalty minutes in 524 regular-season games. Nill later went to Adirondack as a player/coach, retiring as a player after the 1990-91 season. A member of the 1979-80 Canadian National and Olympic teams, he was a fifth-round pick of the St. Louis Blues (89th overall) in the 1978 NHL Draft.

Jim and his wife, Rebecca, reside in Frisco, Texas and have three children: Jenna, Trevor and Kristin, and one grandchild: Cael.

LES JACKSON
SENIOR ADVISOR TO THE GENERAL MANAGER

Les Jackson is in his 29th season with the Stars, dating back to the club's days in Minnesota. Entering his first season as senior advisor to the general manager, Jackson will be responsible for observing and evaluating talent from the amateur and professional ranks all around the world and will serve as counsel regarding the draft, free agency and trades.

Jackson, 63, is widely respected as one of the best talent evaluators in hockey, having helped build the Stars into the consistently competitive hockey club that it has become over the last two decades. Learning from the tutelage of respected general managers such as Bob Clarke, Bob Gainey and Lou Nanne, Jackson also assisted in the evaluation of players as it related to movement within the organization, including the entry draft, trades and free agent signings. During Jackson's tenure, the Stars have selected future NHL stars such as Mike Modano, Derian Hatcher, Jere Lehtinen, Jarome Iginla, Marty Turco, Brenden Morrow, Jamie Benn, John Klingberg, Valeri Nichushkin and Loui Eriksson among others.

Jackson, a native of Manning, Alta., was drafted by the Boston Bruins in 1972 and played two seasons in the minors prior to his career as a hockey executive. His minor professional coaching career included stints in Billings and Great Falls, Mont., Tucson, Ariz. and New Westminster and Revelstoke, B.C. He also spent five years as assistant coach and general manager of the Western Hockey League's Brandon Wheat Kings.

SCOTT WHITE
ASSISTANT GENERAL MANAGER/TEXAS STARS GM

Scott White is in his first season as assistant general manager, having spent the previous three seasons as the team's director of hockey operations. He also serves as the General Manager for the Texas Stars, Dallas' development affiliate in the American Hockey League (AHL). He was the architect behind the 2014-15 Calder Cup-winning Texas Stars, a team that set a franchise record with 48 wins, claiming the Macgregor Kilpatrick Trophy as the AHL's regular-season points champion, as well as the John D. Chick Trophy as the West Division champions. The only General Manager in the history of the Texas Stars Hockey Club, White was selected by Hockey Canada to serve as a member of the management group for Canada's National Men's Team at the 2014 Deutschland Cup and 2014 Spengler Cup.

A member of the Dallas Stars organization since 2005, White, 48, previously served as a professional scout and director of minor league operations. He headed up the hockey department for the Iowa Stars, Dallas' then-primary affiliate, for three seasons. Prior to joining the Stars organization, he served as head coach of the Columbia Inferno of the ECHL for four seasons, qualifying for a playoff berth each year. He also guided Columbia to a Kelly Cup Final appearance in 2003 and finished with a 165-87-36 record (.635) in over four seasons with the Inferno. In Columbia, he was responsible for all the club's hockey operation activities, including recruiting, scouting, trades and roster moves. White worked as an assistant coach with the Greensboro Monarchs (ECHL) for a season and a half, and was an assistant coach at his alma mater, Michigan Tech University, from 1994-99.

White played five years of professional hockey from 1989-94, including three seasons with Greensboro, where he won the 1990 ECHL Championship and earned ECHL Defenseman of the Year and First-Team All-ECHL honors for the 1991-92 season. He signed with the Ottawa Senators in 1992 and played the entire season with the club's developmental affiliate in New Haven, capturing team MVP honors after posting 54 points (10-44=54) in 80 games. The Quebec native finished his professional career with 235 points (55-180=235) in 190 regular-season games and 40 points (8-32=40) in 41 postseason games.

White and his wife, Kathy, have four children: Emily, Katie, William, Madelyn and one grandson, Corbin.

MARK JANKO
ASSISTANT GENERAL MANAGER

Mark Janko is in his 17th season with the Dallas Stars organization, and his first as assistant general manager. Janko has spent the past eight seasons in Hockey Operations after previously working in the Stars public relations department for eight years. Janko is currently responsible for player and staff contract negotiations, preseason and regular-season scheduling, Collective Bargaining Agreement compliance, cap and budget management, salary arbitration, strategic planning and works closely with Dallas' scouting staff, with an emphasis on the professional level. He also serves as the team's liaison for all player transactions with NHL's Central Registry.

Janko, 40, joined the Stars in 1999 after serving in the media relations department for the Mighty Ducks of Anaheim during the 1998-99 season. LINDY RUFF
HEAD COACH

Lindy Ruff is in his fourth season as head coach of the Dallas Stars after being hired by General Manager Jim Nill on June 21, 2013.

Ruff led the Stars to its first division title since the 2005-06 season, and the top spot in the Western Conference, with a record of 50-23-9 (109 points) in 2015-16. The campaign marked Ruff's third career 50-win campaign, and the first time Dallas has reached 50 wins since the 2006-07 campaign. Ruff also guided the club past the Minnesota Wild in the Western Conference First Round of the Stanley Cup Playoffs, marking the Stars' first postseason series victory since the 2008 Stanley Cup Playoffs. After improving on his previous season by nine wins and 17 points, Ruff was named a finalist for the 2016 Jack Adams Award as the NHL coach adjudged to have contributed the most to his team's success.

Ruff, 56, is the fifth-winningest head coach in NHL history with a 702-517-78-114 record. He is one of only five coaches in history to ever reach the 700-victory plateau, and has the third-most wins of any active coach behind Joel Quenneville and Ken Hitchcock. Ruff is one of four individuals in League history to have coached in over 1,400 NHL contests and appeared in 600 NHL games as a player. Now in his second stint as an NHL head coach, he departed the Buffalo Sabres as the franchise's all-time leader in wins with 571.

During Ruff's tenure in Buffalo, the team made eight postseason appearances, including four trips to the Eastern Conference Final, as well as an appearance in the 1999 Stanley Cup Final. In 2006, he earned the Jack Adams Award as the League's top coach, guiding his team to the Eastern Conference Final. Ruff was nominated again for the accolade in 2007 after posting consecutive 50-win campaigns and leading his club to the Presidents' Trophy, which is earned annually by the team that posts the top regular season record in the NHL.

In Ruff's 10 career postseason appearances, he has earned a 66-54 record, ranking 13th in playoff victories in NHL history. He is also one of only 24 coaches all-time to coach at least 100 postseason contests.

Ruff began his NHL coaching career as an assistant with the Florida Panthers in 1993 during the club's inaugural season and spent four seasons behind the bench with the Panther. During his time in Florida, he helped guide the club to two playoff appearances and the 1996 Stanley Cup Final.

No stranger to international competition, Ruff coached Canada's Men's National Team to a silver medal at the IIHF World Championship in 2009 and served as an associate coach for the gold medal-winning Canadian teams at the 2010 Winter Olympic Games in Vancouver and the 2014 Winter Olympics in Sochi. AMERICAN AIRLINES CENTER

One of the finest multi-purpose venues in the world, American Airlines Center has served as the home of the Dallas Stars since 2001, playing host to over half-a-million hockey spectators annually and over 2 million spectators total annually.

Designed by world-renowned architect, David M. Schwarz and Dallas-based HKS Inc., American Airlines Center encompasses over 800,000 square feet and includes 118 luxury suites, 36 Service King Lounge theatre-box suites, two fifty-person suites and room for 18,532 hockey fans. Its brick and glass façade, sweeping vistas of downtown Dallas, double-vaulted ceilings and welcoming signature arches give the Center a unique combination of a modern, yet classically-elegant design that is perfectly suited for Dallas' "larger-than-life" Texas spirit.

No stranger to hosting major sporting events, the Center has seen the 2002 & 2006 NCAA first and second Round Men's Basketball Tournaments, The Phillips 66 2003, 2004, & 2006 Men's Big 12 Basketball Tournaments, 2009 U.S.A. Gymnastics Visa Championships and other events such as Boxing and Ultimate Fighting Championships. It was also a proud host of the 2007 NHL All-Star Game, 2006 and 2011 NBA Finals and hosted events during the 2010 NBA All-Star Weekend.

Not solely a sports mecca, Pollstar and Billboard consistently rank American Airlines Center among the top-10 arenas of its kind in the world for concerts. It has hosted major concerts and events, such as Coldplay, U2, The Rolling Stones, Billy Joel, Elton John, Taylor Swift, Rod Stewart, George Strait, Tom Petty, Imagine Dragons, Madonna, Justin Timberlake, and Bruce Springsteen, among others.

American Airlines Center was designed to keep ice in perfect condition, even when the Texas heat blazes outside. To maintain a constant temperature of 64-68 degrees, the building has a separate chiller system just for the slab, eight miles of one-inch pipe and300 tons of refrigeration. In addition, a 4,200-ton air-conditioning system and a dehumidification system extract 500 gallons of moisture per hour during the season. The ice is put into place each September and takes 24 hours to build up to the 1-inch depth the players are accustomed to. The ice stays in the Center until the playoffs are complete and is covered up during the season with a special material called Polar Floor, a fiberglass product that keeps the ice cold and allows the air temperature above to rise without affecting the ice. The Zamboni is retrofitted with a Fast Ice system, the latest technology that allows the ice maintenance crew to cut the ice quickly in order to keep the ice smooth and fast.

Although American Airlines Center recently surpassed its first decade of existence, the arena still pushes the envelope with technology. In 2009, the Center set the standard for hockey and basketball arenas by installing the first 1080 high-definition center scoreboard in the NHL and NBA, increasing digital video throughout the arena bowl by 300 percent. Matching the spectacular HD video experience is a state-of-the-art concert quality sound system.The digital line array audio system delivers audio effects that the American Airlines Center visitor can both feel and hear. Using a patented retractable seating system, the Center can convert from an ice rink to a basketball court or concert setting in less than two hours.

H-E-B CENTER AT CEDAR PARK

Northland Properties Corporation, the parent holding company of the Dallas Stars, purchased the Texas Stars, Dallas' development affiliate in the American Hockey League (AHL), in December, 2014, announcing that the transfer of ownership from Hicks Cedar Park, LLC had been successful and was approved by the AHL Board of Governors. The newly-created Texas Stars, L.P. now operates the city-owned H-E-B Center at Cedar Park, located in Cedar Park, Texas, under a long-term lease running through 2034.

"H-E-B Center at Cedar Park, and the land surrounding it, is located in one of the fastest growing regions of the United States," Northland President and Dallas Stars Owner Tom Gaglardi said. "The opportunity to grow the area's footprint as the top-flight entertainment region in Central Texas is immense, and we are looking forward to engaging with the city of Cedar Park to make that happen."

H-E-B Center at Cedar Park holds 6,863 seats for hockey, 7,200 for basketball and up to 8,700 for concerts and other events. The state-of-the-art arena has 24 suites (including four party suites) and 545 club seats with a private club lounge. The building hosts more than 130 events per year including sporting events, concerts, and family shows. H-E-B Center at Cedar Park is home to the 2014 AHL Calder Cup champion Texas Stars. The building also serves as the home court to the Austin Spurs, the NBA Development League affiliate of the 2014 NBA champion San Antonio Spurs. Since opening in September of 2009, H-E-B Center at Cedar Park has hosted world-class performers and events such as George Strait, Rascal Flatts, Alan Jackson, Tool, Jason Aldean, Def Leppard, Eric Church, Cirque du Soleil and Disney On Ice.

"Since coming to Cedar Park, the Texas Stars have been a wonderful partner of ours in bringing world-class sports and entertainment to the area," said Cedar Park Mayor Matt Powell. "We look forward to working closely with Northland Properties and the Dallas Stars in this outstanding partnership as we continue to fulfill the vision of H-E-B Center at Cedar Park and the city."

In its first six seasons of existence, all of which have been as the affiliate of the Dallas Stars, the Texas Stars have proved to be one of the most successful franchises in the AHL. The team captured its first Calder Cup championship in 2014. The club has made two trips to the Calder Cup Final (2010, 2014), qualifying for the postseason in six of its seven seasons (2010, 2011, 2013, 2014, 2015, 2016), and has posted 40-win campaigns four times. Many of the Dallas Stars' young core of NHL players have spent time skating for the Texas Stars including captain Jamie Benn, forwards Cody Eakin and Antoine Roussel and defenseman John Klingberg.

"With the level of intense parity in the NHL, teams have to strive for every advantage they can get," said Dallas Stars General Manager Jim Nill. "Owning and operating your own AHL affiliate brings immeasurable benefits and allows for a more seamless process to develop and train NHL-caliber players, coaches and front office staff."

DR PEPPER ARENA

The Dallas Stars Organization opened Dr Pepper Arena in Frisco, Texas, in June 2009, and it has become the premiere entertainment venue in Collin County.

Formerly known as Deja Blue Arena at Dr Pepper StarCenter, the facility underwent a major renovation through a partnership between the Dallas Stars, the City of Frisco and the Frisco ISD. The original facility opened in 2003.

Most of the renovation took place on the arena side of the complex, which began in the summer of 2008. Dr Pepper Arena's capacity increased from 3,500 to just over 6,000. Additions to the arena included a 1,000-space parking garage, extensive kitchen/catering capabilities, 12 luxury suites and a VIP club.

Dr Pepper Arena opened June 1, 2009 and featured many entertaining guests and shows in its first year, including Cirque Du Soleil, Hillsong United, Championship Boxing, Steele Cage Mixed Martial Arts and the Harlem Globetrotters. Along with a variety of concerts, corporate gatherings and religious events, the facility annually hosts the Shrine Circus and Frisco ISD graduation. Dr Pepper Arena will host the 2016 Big 12 Conference Gymnastics Championship on March 19 and 2016 NCAA Division II Men's Basketball Championship from March 23-26, 2016.

Dr Pepper Arena is also the home to the Texas Legends, the Dallas Mavericks' D-League affiliate.

"Dr Pepper Arena has been very successful since its expansion was completed," said Dallas Stars Chief Operating Officer, Jason Farris. "It is the premiere entertainment venue in Collin County and the Frisco area. We look forward to many more great events coming to Dr Pepper Arena."

Dr Pepper has been a strong partner of the Dallas Stars since the hockey club came to North Texas in 1993.

"We are very proud of our longstanding relationship with the Dallas Stars through our sponsorship of the team and our continued involvement with Dr Pepper StarCenters throughout the Metroplex," said Jim Trebilcock, Executive Vice President and Chief Marketing Officer for Dr Pepper Snapple Group, based in Plano, Texas. "Dr Pepper Arena brings that relationship to a new level, providing a state-of-the-art sports and entertainment venue for the Frisco community and in the process gives the Dr Pepper brand even more visibility here in our home market."

"We've been very happy with Dr Pepper Arena over the past few years," said Frisco Mayor Maher Maso. "The expansion project has transformed the arena into a well-balanced venue with greater capabilities to host events for everyone. Our residents and visitors enjoy more entertainment opportunities and our city benefits economically from the arena's enhanced ability to host a wide variety of events."

DR PEPPER STARCENTERS

When the Stars moved from Minnesota to Texas, the Club made exposing the Dallas/Fort Worth community to hockey an organizational priority. By constructing and operating several Dr Pepper StarCenters throughout the Metroplex, the team has been able to have direct involvement with developing and growing the game of hockey in the greater Southwest region.

The Dallas Stars are one of the few teams in the NHL to design and build their own practice facility and arena, run in partnership with the City of Frisco. The team also sets the pace in the NHL among clubs that form partnerships with communities to create public skating facilities, a trend which is picking up momentum around the League. The facilities in Euless, Farmers Branch and McKinney were all built in partnership with those respective cities. There are also Dr Pepper StarCenters in Irving, Plano, and Richardson.

The Stars have come a long way since moving to Dallas in 1993. When the team first set foot in Texas, there were five total sheets of ice in the area (two of which were at shopping malls and didn't host hockey). At that time, there were no high school or travel hockey teams, while only 250 local children were playing the sport and just 225 adults playing in recreational leagues.

During the 2015-16 season, there were more than 9,000 North Texas kids and over 8,000 adults skating and playing recreational hockey on over 20 sheets of ice in the area, including more than 40 high school hockey teams participating in the Stars-run AT&T Metroplex High School Hockey League.

With all the success the Stars have had growing the game and working with USA Hockey & TAHA, it's no surprise that the Lone Star State is beginning to produce world-class hockey talent. Since 2005, 13 native Texans have been drafted into the National Hockey League, including eight who hail directly from the area (Dallas, Plano, Coppell, Arlington and Lewisville). Nine of those players have been selected since 2008, making Texas a top-15 producer of American NHL draftees in that span. In the summer of 2013, Plano native Seth Jones was selected fourth overall in the NHL Entry Draft by the Nashville Predators, the highest a native Texan has ever been selected.

The Dallas Stars continue to play a crucial role in the grass roots development of the sport in Texas through Rookies, a four-week try-hockey-for-free-program, and Fitness Stars, a physical education program aimed at fighting childhood obesity through hockey-based fitness challenges. Through these programs, kids will be introduced to the sport of hockey and invited to be part of the Dallas Stars' family for the rest of their lives.

Dallas Stars Foundation

The Dallas Stars Foundation was established in 1998 to serve as a positive force throughout the Dallas/Fort Worth Metroplex. The Foundation focuses its efforts on providing support to the children of the community so they may lead quality lives and develop into contributing members of society. Through teamwork, interaction, and education, the Dallas Stars Foundation works to bring together all members of the Metroplex and build a bright future for today's youth.

Since 1998, the Foundation has awarded more than $4 million to local charities through their charitable grants program. Over the years, the Foundation has partnered with numerous non-profit agencies that focus on a myriad of worthwhile causes, including youth hockey, medical and other basic needs for disadvantaged youth, educational and social issues, family support and crisis intervention.

The Dallas Stars Foundation has three pillars of focus for their giving, programs and partnerships: youth hockey, youth engagement and health and education. To date, the Foundation has made in-kind and ticket donations to over 1,100 different organizations including schools, non-profit organizations and sports related programs.

Through donations made by the Dallas Stars, Dallas Stars players, season ticket holders and the Dallas Stars Foundation via the community tickets program, over $300,000 in tickets were donated to local charitable organizations.

Dallas Stars players and staff actively participated in various fundraising events and community events including school and hospital visits, totaling over 400 hours volunteered this past season.

Through the continued work of the Foundation, the Dallas Stars organization pledges to support the Metroplex and the state of Texas in order to support community efforts through the great game of hockey.

YOUTH HOCKEY PROGRAMS

The Dallas Stars launched the Little Rookies program in October 2013 and focuses on teaching children the fundamentals of hockey, the program provided them with all the necessary equipment for the duration of the four-week period. By giving children the opportunity to try the sport of hockey with no strings attached, the program has been the catalyst for growing the sport in Texas. The program recently launched Junior Rookies and Rookie Girls to reach more children across the state of Texas.

The first-of-its-kind program was offered at all ice rinks in the Metroplex five times during the year for children between the ages of four to eight and have never participated in a hockey program. Since the inception of the program in September 2013, over 3,300 children across 11 ice facilities in Dallas, Austin and College Station have been introduced to the sport of hockey. Throughout the duration of the program, over 30% of enrolled participants made the commitment to continue with a paid hockey program following the four-week session.

As of the Summer of 2016, Little Rookies expanded to Austin and College Station, offering more children the opportunity to try the sport of hockey for free. The Dallas Stars organization is actively looking to expand the program in the current markets as well as finding new ice facilities in the Southwest to grow Little Rookies beyond the state of Texas.

FITNESS STARS

Fitness Stars enters its fourth season of existence in 2016-17 after launching at the start of the 2013-14 season. Created as a physical education program aimed at fighting childhood obesity through hockey-based fitness challenges, Fitness Stars was offered at 28 DFW area schools in its inaugural season, reaching over 15,000 children.

Due to the program's overwhelming success, Fitness Stars has since expanded and is now offered in over 300 schools in the Dallas/Fort Worth Metroplex and is expected to impact over 311,000 children. Participating schools include Carroll ISD, Coppell ISD, Carrollton-Farmers Branch ISD, Forney ISD, Fort Worth ISD, Frisco ISD, Garland ISD, Grand Prairie ISD, Irving ISD, Lewisville ISD, McKinney ISD, Mesquite ISD, Wylie ISD, and 12 individual schools.

2015-16 SEASON REVIEW

ON YOUR MARK, GET SET, GO

The Dallas Stars opened up the 2015-16 regular season in record-setting fashion. The team went 6-1-0 in its first seven games of the campaign, matching the best seven-game start to a season in franchise history. Dallas also posted a 12-3-0 record for the best 15-game start in franchise history and by the end of the calendar year, the Stars had earned a 28-8-3 record for the best record in franchise history through 39 games. Dallas wouldn't lose back-to-back games until after the first of the year and ended its franchise-best run at 43 games where the team had accumulated 52 points with a 29-10-4 record.

The Stars wrapped up the 2015-16 campaign with a Central Division title and atop the Western Conference with 109 points and a 50-23-9 record. This marks the first time Dallas has won a division title since the 2005-06 season when the team finished first in the Pacific Division with 112 points, also marking the last time the team posted at least 109 points.

ROAD WARRIORS

The Stars finished the 2015-16 season with a 22-12-7 record on the road, ranking fifth in the League in points and tied for fifth in wins. Dallas opened the campaign posting a 4-1-0 record away from home, and after a season-long six-game road winning streak from Nov. 3 – 28, the club had garnered a 10-2-0 record in its first 12 games on the road. The team's six-game road winning streak marks the longest the team has posted since the 2013-14 season when Dallas also notched six-straight wins on the road from Nov. 3 – 17.

Stars forward **Tyler Seguin** registered 37 points (19-18=37) on the road in 2015-16, finishing the campaign tied for fifth in the League with 19 goals and seventh with 37 points. Captain **Jamie Benn** also posted 37 points (12-25=37) away from home in 2015-16, sharing seventh in points (37) and assists (25).

30 FOR 30...FOR 30

Three members of the Dallas Stars registered at least 30 goals this season as **Jamie Benn** finished third in the League and first on the team with a career-high 41 goals, while **Tyler Seguin** and **Jason Spezza** finished tied for 10th in the NHL and second on the team with 33 goals each. This marks the first time in Dallas Stars history and the ninth time in franchise history that three-or-more players have each scored at least 30 goals in a season. The last time the team had at least three 30-goal scorers in a season came during the 1992-93 season when Russ Courtnall (36), Ulf Dahlen (35), Mike Modano (33) and Dave Gagner (33) each registered at least 30 goals.

Spezza's 33 goals marked the fifth 30-plus goal season of his NHL career and the first he's registered with Dallas. For Benn and Seguin, it marked the third career 30-goal season, all of which have come in the last three seasons since the two became teammates. The forwards are the only pair of teammates in the NHL to both record 30-plus goals in each of the last three seasons, and are two of just six players League-wide to have done so.

JAN-MARKS THE SPOT

Stars rookie forward **Mattias Janmark** made his NHL debut on Oct. 8 against Pittsburgh and scored his first career goal on his first career shot just 1:39 into the contest. This marked the second-fastest goal by a rookie in his debut in Stars franchise history, as Bob Barlow scored his first career goal just 1:08 into his debut on Oct. 11, 1969 against Philadelphia. Janmark's fast start would continue, scoring 20-seconds into the team's second game on Oct. 10 at Colorado. The Stockholm, Sweden native would go on to register points in each of his first four NHL contests (2-2=4), becoming the first player in franchise history to start his career with a four-game point streak.

Janmark finished the 2015-16 campaign with 29 points (15-14=29) in 73 games. The forward was tied for 11th among League rookies with 15 goals, while he ranked 14th among all first-year skaters with 29 points. (ALL)STAR STUDDED CAST

Three members of the Dallas Stars represented the team at the 2016 All-Star Game in Nashville in 2015-16, as Head Coach **Lindy Ruff** took the reins of the Central Division team that included Stars captain **Jamie Benn** and forward **Tyler Seguin**. This was the first time two Stars players had been named to an All-Star Game since the 2011 All-Star Game when then-Stars forwards Brad Richards and Loui Eriksson earned honors.

The trip was Benn's second to an All-Star Game, having made his first appearance at the 2012 All-Star Game where he won the Accuracy Shooting portion of the Skills Competition. Seguin made his third All-Star Game appearance as the forward also played in the 2012 and 2015 All-Star Games. For Ruff, it marked his third trip to the All-Star Game as a head coach, having also served as bench boss at the 1999 and 2007 All-Star Games.

FINDING NEMO

Goaltender **Antti Niemi** made his Stars debut in the team's opening contest of the 2015-16 season on Oct. 8 against the Pittsburgh Penguins. Niemi registered 37 saves for his 33rd career shutout, while also posting two assists (0-2=2) in the game. This marked the first time in NHL history that a goaltender has ever recorded two-or-more assists and a shutout in the same game, while he is just the second netminder in Stars franchise history to record multiple assists in a game as Johan Hedberg earned two helpers (0-2=2) on Dec. 26, 2005 at St. Louis, per the Elias Sports Bureau. Since coming into the League in the 2009-10 season, Niemi has tallied 35 shutouts, which is tied for third in the NHL, trailing only New York's Henrik Lundqvist (39) and Los Angeles' Jonathan Quick (38).

TWO FOR THE SHOW

Stars captain **Jamie Benn** finished the season ranked second in the League with 89 points (41-48=89) in 82 games, while forward **Tyler Seguin** ranked 14th with 73 points (33-40=73) in 72 games. Dallas is one of just four teams that had at least two players reach the 70-point mark last season along with Chicago (Patrick Kane/Artemi Panarin), San Jose (Joe Thornton/Joe Pavelski/Brent Burns) and Washington (Evgeny Kuznetsov/Alex Ovechkin/Nicklas Backstrom). Benn shared second in the NHL with 25 multi-point games in 2015-16, while Seguin's 23 multi-point outings ranked fifth in the League as the two were the only set of teammates to finish in the Top-5 in the NHL in multi-point games this season.

Since the two became teammates in 2013-14, Benn and Seguin have registered more points than any other pair of teammates in the NHL over that span. The duo has combined to post 489 points (217-272=489) over 468 total games. The two have also scored more goals than any set of teammates in the past three seasons, having lit the lamp a combined 217 times since the start of the 2013-14 campaign. Benn and Seguin are also one of just two pairs of teammates to have combined for more than 200 total goals, as Washington's Alexander Ovechkin (154) and Nicklas Backstrom (56) have scored 210 combined goals.

HATTRICK EAVES

Stars forward **Patrick Eaves** scored three goals on Feb. 11 at Chicago for his second career hat trick, and his first with the Stars. The forward scored all three of his goals in the first period, becoming the first player in Dallas Stars history and just the second player in franchise history to record a hat trick in the first period, as Bill Goldsworthy also tallied a hat trick in the first period against Los Angeles on Dec. 11, 1973. Eaves' hat trick marked the 10th time in franchise history a player has tallied a hat trick in one period and just the second time since the team moved to Dallas.

LIKE A (BENCH) BOSS

Stars head coach **Lindy Ruff** reached several milestones during the 2015-16 season. The bench boss posted a 50-23-9 record in his third season with Dallas, improving his career record to 702-517-78-114. Ruff earned his 700th career NHL win on April 2 with a 3-2 win over the Los Angeles Kings to become just the fifth coach in NHL history to eclipse the 700-win plateau. The native of Warburg, Ont. also coached in his 1,400th career game on March 15, also against Los Angeles. Ruff currently ranks fifth all-time in wins (702) and in games coached (1,411).

Ruff wrapped up the 2015-16 campaign having earned a 131-85-30 record over three seasons with the Stars. The whiteboard wizard currently ranks fifth in Stars coaching history with 131 wins, while his 246 games coached rank sixth on the franchise leaderboard. The 50-win season by the Stars marks the third Ruff-coached team to have 50-or-more victories in a season.

SHARP DRESSED MAN

Stars forward **Patrick Sharp** established a new career-high in 2015-16, recording a point in 12 consecutive games (6-9=15) from Dec. 19 – Jan. 9. His 12-game point streak marks the second-longest in Dallas Stars history and is the longest since the 1993-94 campaign when Dave Gagner earned points in 13 consecutive games from Nov. 21 – Dec. 19. Sharp's 12-game streak was also tied for the third-longest in the NHL during the 2015-16 season with Sidney Crosby behind Patrick Kane's 26-game point streak and Shayne Gostisbehere's 15-game streak.

TWO PEAS IN A POD

In their first season together, Stars goaltenders **Kari Lehtonen** and **Antti Niemi** combined to post a 50-23-9 record. Niemi registered a 23-13-7 mark in his first season with the Stars, while Lehtonen posted a 25-10-2 record in his seventh campaign with Dallas. This marks the first time in Stars franchise history that the team has featured two netminders who have both reached the 25-win plateau. It is just the 10th time in NHL history that a team has had two goaltenders each record 25-or-more wins in a single season, and the first time since the 2009-10 Chicago Blackhawks goaltending duo of Christobal Huet and Antti Niemi each posted 26 wins.

THE FRENCH CONNECTION

Forward **Antoine Roussel** dented the net (1-0=1) on Nov. 21 against Buffalo for his 38th career NHL goal to become the highest-scoring French player in NHL history, passing Sebastien Bordeleau who held the previous mark at 37. POSTSEASON REVIEW

The Stars defeated the Minnesota Wild, four-games-to-two, in the Western Conference First Round, marking Dallas' first postseason series win since the 2008 Stanley Cup Playoffs. The team opened the series with a 4-0 shutout in Game 1 at home for its first-ever Game 1 win at American Airlines Center, which opened prior to the 2001-02 campaign. The stars had previously played in three Game 1s at American Airlines Center, posting an 0-3 record in those contests.

Stars captain **Jamie Benn** led the team with 10 points (4-6=10) in the First Round series, recording a point in each of the six contests against the Wild during the postseason. Benn's 10 points in the First Round are tied for the most points in a playoff series in Dallas history (since 1993-94), joining **Mike Modano** and **Sergei Zubov**.

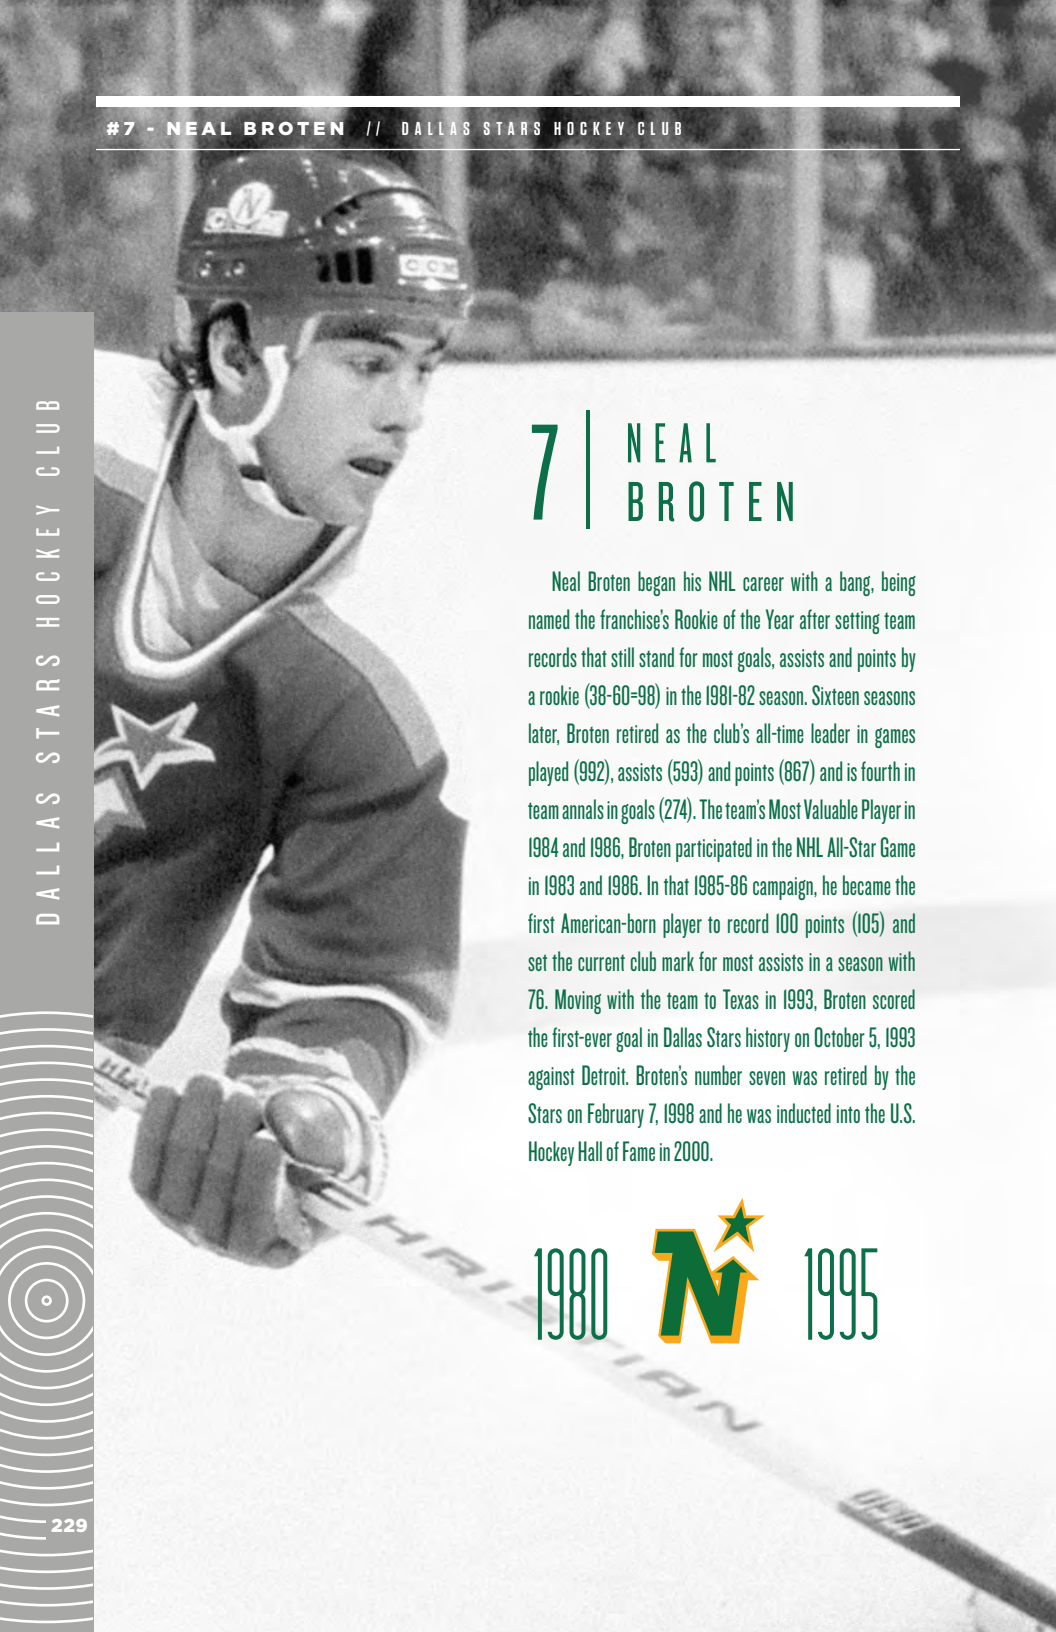
ACCOLADES & HISTORY



7 | NEAL BROTEN

Neal Broten began his NHL career with a bang, being named the franchise's Rookie of the Year after setting team records that still stand for most goals, assists and points by a rookie (38-60=98) in the 1981-82 season. Sixteen seasons later, Broten retired as the club's all-time leader in games played (992), assists (593) and points (867) and is fourth in team annals in goals (274). The team's Most Valuable Player in 1984 and 1986, Broten participated in the NHL All-Star Game in 1983 and 1986. In that 1985-86 campaign, he became the first American-born player to record 100 points (105) and set the current club mark for most assists in a season with 76. Moving with the team to Texas in 1993, Broten scored the first-ever goal in Dallas Stars history on October 5, 1993 against Detroit. Broten's number seven was retired by the Stars on February 7, 1998 and he was inducted into the U.S. Hockey Hall of Fame in 2000.

8 | BILL GOLDSWORTHY

Bill Goldsworthy began his NHL career with the Boston Bruins in 1964, appearing in just 33 regular-season games and earning 12 points (6-6=12) over parts of three seasons with the Bruins before he was selected by the Minnesota North Stars in the expansion draft in 1967. Goldsworthy would make a name for himself in the NHL with the North Stars through goal-scoring and the invention of his signature goal celebration, the Goldy Shuffle. Goldsworthy registered five 30+ goal seasons in his career, all coming while he was in Minnesota. The native of Waterloo, Ont. was the first player from a post-1967 expansion club to reach the 200- and 250-goal mark, while he eclipsed the 500-point plateau during the 1976-77 season to become the first player in Minnesota North Stars history to accomplish the feat.

Goldsworthy finished his 10-season career with the North Stars in 1977. Over that span, he registered 267 goals, 239 assists and 506 points (267-239=506) in 670 regular-season games. He currently ranks fifth all-time in goals (267), sixth in game-winning goals (34), 10th in points (506) and third in shots on goal (2,237). Goldsworthy was also named to an All-Star four times during his career (1970, 1972, 1974 and 1976). In recognition of his accomplishments, Goldsworthy's number eight was retired by the organization on February 15, 1992. Goldsworthy passed away on March 29, 1996 at the age of 51 due to complications from AIDS.

9 | MIKE MODANO

Mike Modano, the greatest American-born hockey player in NHL history, played 21 seasons in the NHL and is the all-time franchise leader in nearly every category, including games played (1,459), goals (557), assists (802), points (1,359), short-handed goals (29), game-winning goals (92) and power play tallies (156).

A seven-time NHL All-Star, 2014 Hockey Hall of Fame class member, and United States Hockey Hall of Fame inductee, Modano is also the American-born record holder in goals (561) and points (1,374). He was also instrumental in helping the Stars capture the 1999 Stanley Cup championship. The Livonia, Mich., native skated for Team USA at the Olympic Games on three separate occasions, winning the silver medal at the 2002 Games in Salt Lake City. He also captured the gold medal at the 1996 World Cup of Hockey; and was captain of the United States squad at the 2005 World Cup. Modano was drafted first overall in 1988 by the Minnesota North Stars.

On March 8, 2014, the Dallas Stars honored Mike Modano, the greatest player to wear a Stars uniform, by retiring his iconic number 9.

19 | BILL MASTERTON

Bill Masterton was a member of the Minnesota North Stars inaugural NHL team in 1967-68, recording 12 points (4-8=12) in 38 contests before suffering a fatal head injury in a game on Jan. 13, 1968.

A native of Winnipeg, Man., Masterton attended the University of Denver where he played for three seasons with the Pioneers in the Western Collegiate Hockey Association (WCHA), winning two National Championships in 1960 and 1961. The first player to sign with the new Minnesota club, Masterton made his NHL debut in the team's inaugural game on Oct. 11, 1967 against the St. Louis Blues, scoring the first goal in franchise history. In a game against the Oakland Seals on Jan. 13, 1968, Masterton suffered a severe head injury when his head hit the ice after being checked. The 29-year-old would eventually succumb to his injury as he passed away just two days later on Jan. 15.

In his memory, the Professional Hockey Writers' Association created the Bill Masterton Memorial Trophy in 1968, an award presented annually to the "National Hockey League player who best exemplifies the qualities of perseverance, sportsmanship and dedication to hockey." Masterton's number 19 has never been worn by another player in franchise history, and was retired by the organization on January 17, 1987.

ON JANUARY 24, 2007, THE STAGE WAS SET FOR DALLAS TO HOST THE 55TH NHL ALL-STAR GAME AT AMERICAN AIRLINES CENTER.

This marked the first time since the team moved to Dallas that it was hosting the All-Star festivities, and just the second time in franchise history as the club also hosted the 1972 All-Star Game in Minnesota. Defenseman Philippe Boucher and goaltender Marty Turco represented the Stars in the game as they both were voted onto the Western Conference roster through the fan voting process, while Boucher was named a starter in the contest, replacing Anaheim's Scott Niedermayer who could not play in the game due to injury.

Current Dallas bench boss Lindy Ruff also participated in the All-Star Game as he was named head coach of the Eastern Conference All-Stars. With a capacity crowd of 18,532 on hand, the West defeated the East in the contest by a final score of 12-9, with then-Buffalo Sabres forward Daniel Briere being named the MVP of the game.

On October 14, 1995, the Stars set a franchise record for the fastest three goals in a game, scoring three times in 44 seconds of the final minute of the third period to cap an exciting 6-5 comeback victory over Boston at Reunion Arena. Trailing 5-3, Kevin Hatcher banged home a rebound at 19:11 of the third period to pull the Stars within one goal. At the 19:44 mark, Mike Modano fired a wrist shot past Bruins' goalie Craig Billington to even the score at 5-5. On the ensuing faceoff, Mike Kennedy hustled to the corner to Billington's left, dug the puck loose and sent a centering pass to Guy Carbonneau, who fired the puck past Billington at 19:55 for the win. According to the Elias Sports Bureau, it is the only game in NHL history that a team trailed by two goals in the final minute of the game and came back to score three goals and win the game in regulation.
